**OVERCROWDED CARS  
WORRY SMOKY CITY**

Pittsburg Authorities Draft  
Traffic Regulations.

Pittsburg is now struggling with the  
overcrowded car problem. The city coun-  
cil has enacted an ordinance forbidding  
the overcrowding of cars and defining  
what constitutes overcrowding. The ordi-  
nance reads as follows:

Whereas, it is manifest that the present in-  
adequate and inefficient street car service in the city  
of Pittsburg is not only inconvenient and bur-  
densome to the people, but the practice of the street  
railway companies of overcrowding their cars by  
packing and jamming passengers into them is a  
menace to public safety and health and detrimental  
to public decency, morals, and good order; there-  
fore,

Be it ordained, etc., That from and after the  
approval of this ordinance all companies or cor-  
porations operating street passenger railway cars in  
the city of Pittsburg are prohibited from hauling,  
carrying, or conveying in any car, at one time, a  
greater number of passengers than is equal to one  
and two-thirds times the proper seating capacity  
thereof, with the addition of five passengers on the  
rear platform of each car, and said railway com-  
panies are further prohibited from carrying any pas-  
senger between the seats of summer cars.

The other sections of the ordinance  
provide for exceptions on the Fourth of  
July and when the cars are carrying  
crowds to and from Forbes Field, when  
football or baseball games are being  
played; for reports as to seating capacity  
of all cars, and for the regular fumiga-  
tion and cleansing of all cars at least  
once a week. The penalty for each viola-  
tion of the ordinance is a fine of \$100.  
Another ordinance, supplemental to the  
above, prohibits the street railway com-  
panies from operating a less number of  
cars than is necessary to provide seats for  
not less than five-sevenths of the  
number of passengers. It is left to the  
companies to so arrange their schedules  
as to comply with the law.

It is stated that already one hundred  
suits have been filed in the Pittsburg  
courts against the street railway com-  
panies for violating the new ordinances,  
but no decision has yet been rendered.
